Ultimate Comfort & Zoned Support

The TM Luxury range features a quilted pillow top, gel-infused memory foam and a 5-zoned pocket spring system for targeted support and pressure relief. Firmer zones support the lower back while softer zones cradle the shoulders and hips to assist correct spinal alignment and reduced partner disturbance.

In our Luxury range, all mattress heights are the same so sleeping partners can choose their ideal comfort level in a split king setup without compromising.

UNIVERSAL COMFORT

Reliable Support & Everyday Comfort

The TM Holiday mattress combines a pocket spring system with Nex-Gen CC2 foam for balanced support and ergonomic pressure relief. The tight top design offers a smooth and stable feel, making it perfect for guest rooms, holiday homes, or anyone seeking a quality entry-level mattress.

Designed to contour to your body, it provides the reactive support needed for spinal alignment, delivering the perfect blend of comfort and stability.
